Mysore, 8th October 1930

Dear Mr. Srinivasa Iyengar,

An energetic member of the Gunamba Maternity and Child Welfare Trust has somehow got hold of the information that the Muzrai Department have some funds available for charitable work which are to be applied to starting welfare centres, and wishes to represent that, if this is the case, the Gunamba Trust has more experience in running ~~the~~ welfare centres than perhaps some others. If there is any money to spare, I should be much obliged if you would kindly consider the suggestion made. Possibly you have seen the Gunamba Trust Stall in the Exhibition and some of the figures put up there show ~~that~~ which a very small drop in the ocean of infantile trouble the Trust is able to deal with.

Dear Sir,

I have received your D.O.No.376 of the 8th instant regarding the transfer of funds available for charitable work by way of starting welfare centres, in the Muzrai Department. I am making enquiries in the matter and let you know the result in due course. No one can fail to appreciate the good work that is being done by the Gunamba Maternity and Child Welfare Trust under your wise guidance; and I am sure that any addition that may be made to the funds of the Trust will be most useful

Dear Mr.Raghavachar,

Some members of the Gunamba Maternity and Child Welfare Trust,Mysore, have got hold of an idea that the Government are distributing a considerable sum from the Annachattram funds for the support of Child Welfare centres, and some support seems to be given to this idea by a speech of the Dewan at the recent meeting of the Representative Assembly.

The members of the Trust somewhat naturally feel that, if any more such centres are to be opened, Mysore City, which is able to provide for only about 100 children out of over 4,000, is entitled to be considered among the applicants for help, and that their organization, which has a good deal of experience in running child welfare centres, might be of use in organizing the new ones.

It will no doubt be in your knowledge that the Gunamba Trust has on more than one occasion applied for help from the Annachattram funds, but on previous occasions it has always been too late. I spoke to Sir Mirza Ismail a few weeks ago on the subject and pointed out that some of the institutions that have been successful in obtaining funds, such as the Vridhashrama, have not really stood in need of them, and in fact that the only effect of their receiving these contributions has been to enable them to reduce the amounts they were collecting from other sources. His suggestion to me was that I should apply to the Palace, whose contributions to the Vridhashrama have been considerably reduced as a result of the payment from the Annachattram funds. An application has been made, but, I regret to say, without success.

If therefore there is any truth in the report given to me by the members concerned of new institutions being opened with Child Welfare as their object, I should be very much obliged if you would bear the Gunamba Trust in mind in making the distribution of the funds in question.

If you think any purpose would be served by our discussing the matter, I shall be in Bangalore and at your service any time from now till tomorrow evening.

Yours sincerely,

Bangalore, 25th October 1930.

Dear Mr. Srinivasa Iyengar,

In reply to your D.O. letter No. C.46 dated 9th October 1930, I write to inform you that the Chattram Savings Fund is the only source from which any subvention in favour of the Gunamba Maternity and Child Welfare Trust can be legitimately sanctioned. In view of the large capital grants, viz., the construction of the Central Institute for Defectives in Mysore, and of a first floor to the Ayurvedic & Unani College &c., already sanctioned, it will not be possible to make any recurring grant for this purpose during the current year.

The question whether any help can be given will, however, be kept in view and sympathetically considered at the time of framing the budget estimates of the year 1931-32.

The enclosure to your letter is returned.

Dear Sir,

I beg to acknowledge receipt of your D.O.letter of the 15th instant in regard to the grant for the support of Child Welfare Centres from the Annachattram Funds. As it reached me in office only on the 27th instant, I regret I was not able to call on you to discuss the question before you left for Mysore.

I enclose herewith a copy of the Government Order regarding the distribution of the Annachattram Funds as also of the Government Order sanctioning the Budget Estimates of the Chattram Funds for 1930-31. It will be seen from page 2 of the latter Government Order No.2730-1/Muz.285-29-3 dated 29th May 1930; that a sum of Rs.8,500/- is provided as grant-in-aid for the relief of destitutes and infirm persons, out of which a sum of Rs.2,500/- has already been utilised, leaving a balance of Rs.6,000/- only. Against this Government have directed that a provision of Rs.15,000/- in two equal annual instalments should be made from the Fund Budget for the construction of a first floor over the present Ayurvedic and Unani College Building at Mysore.

In the circumstances, the suggestion for a grant to the Gunamba Maternity and Child Welfare made in your D.O.No.376 of the 8th instant was referred by Mr.B.Srinivasa Iyengar, Financial Secretary, now on leave, to the Muzrai Commissioner. The Muzrai Commissioner suggests that in view of the large capital grants for the construction of the Central Institute for Defectives and of a first floor to the Ayurvedic and Unani College already referred to above, it is not practicable to make any recurring grant for the purpose during the current year. He has however, suggested that this question may be kept in view and sympathatically considered at the time of framing the Budget Estimates for the year 1931-32.

I enclose herewith a copy of the G.O. regarding the distribution of the Annachattram Funds as also of the G.O. sanctioning the Budget Estimates of the Chattram Funds for 1930-31. It will be seen from page 2 of the latter order viz., G.O. dated ; that a sum of Rs 8,500/- is provided as grant-in-aid for the relief of destitutes and infirm persons, out of which a sum of Rs 2,500/- has already been sanctioned to , leaving a balance of Rs 6,000/- only. SIR,

"Mr Gupta has dealt with it in 7 Sept. & the Sept. 7 B.P. with compliments & kindly leave the papers with us" 7/9/31

In continuation of my D.O. letter C.No.580/30-31 dated 25th October 1930 to you regarding the grant of some help to the Gunamba Maternity and Child Welfare Trust, Mysore, I have the honor to -- state that Sir Charles Todhunter has in his application on behalf of the Trust, and requested that an annual contribution may be ----- sanctioned from the Chattram Savings Fund towards the expenses of the maternity and baby welfare ~~business~~ work undertaken by the Trust in the Mysore City. I enclose herewith a copy of his D.O. letter dated 17th February 1931 explaining the present situation, the -- objects which the Trust has in view and the present need for help.

2. In defining the purpose for which the savings secured by the abolition of Government Anna Chattrams, Government have directed that a sum of Rs.16000/- at Rs.2000/- for each district be set -- a part for assisting institutions for the relief of the destitute and infirm persons, subject to the conditions laid down in para 4 of Government order No.2159-60/Muz.347-27-2 dated 26th May 1928.

Out of the total allotment of Rs.16000/- made for the above purpose, only a sum of Rs.3100/- is being spent now in favour of the marginally noted ------ institutions.

1. Vridhasrama, Mysore	Rs.1000/-
2. Ashakta Poshaka Sabha Bangalore.	600/-
3. Home at Chikmagalur	1000/-
4. " Chitaldrug.	500/-

4. Having regard to the aims and objects of the Gunamba Trust, I am of opinion that they come under the Government order referred to above and that a portion of

the funds set apart for the relief of the destitute and infirm persons may be appropriately sanctioned in aid of the work --- connected with the baby welfare centres.

As Sir Charles Todhunter has pointed out, I was responsible for the ~~institution~~ initiation and organisation of the trust and am therefore personally familiar with the good work the Trust is doing in ---- giving pure milk to babies of the poorer classes and rendering medical and other help to the poorer among the expectant mothers. It is stated that as many as 100 babies are dealt with at various centres and the management has been handicapped in opening fresh centres for want of greater resources. I beg to recommend that an annual grant of Rs.1000/- may kindly be sanctioned with effect from 1931-32 in favour of the Gunamba Trust for their maternity and child welfare work, out of the lump sum provision made under "Grants -in-aid to the Homes for the relief of the Destitute and Infirm Persons" in the budget estimates of the Chattram Savings Fund. This grant will not amount to more than one-seventh or one eighth of the funds which I understand they spend every year.

5. As only a provision of Rs.10600 made up of the third instalment of Rs.7500/- towards the building for defectives at Mysore and the ----- recurring grant of Rs.3100/- has to be made next year as against a sum of Rs.16000/- available, the additional grant may easily met from this source.

6. I solicit the favour of early orders in the matter.

I have the honor to be,

Sir,

Your most obedient servant,

Rajagopal

Muzrai Commissioner.

AG

D.O. No.C.299 dated, 17-2-31 from the Private Secretary to His Highness the Maharaja of Mysore, to the Muzrai Commissioner in Mysore.

As the budget season has come round again may I take this opportunity of reminding you of a request which has been many times made, but always apparently just too late, that some of the money available from the Annachattram funds may be diverted towards the good work of Baby Welfare which is conducted by the Gunamba Trust?

The matter was before you, I believe, in October last on a reference from the Financial Secretariat, from whom I received a letter containing the following passage:-

> "The Muzrai Commissioner suggests that, in view of the large capital grants for the construction of the Central Institute for Defectives and of a first floor to the Ayurvedic & Unani College already referred to above, it is not practicable to make any recurring grant for the purpose during the current year. He has, however, suggested that this question may be kept in view and sympathetically considered at the time of framing the Budget Estimates for the year 1931-32."

As you were so largely responsible for the initiation and first organisation of the Trust, and took so much personal interest in its welfare, I am sure I need not enlarge to you the advantages accruing to the City from the work of such a body, but I may perhaps mention one or two points that will, I think, be of interest to you.

One is that, as I think you know, the amount of the original endowment was invested in 6½% paper 1941. Foreseeing a loss of R 1800/- in their income in case they should have to reinvest in that year at 5%, the Committee, after taking counsel with the Comptroller, decided on selling and re-investing in the 5% loan of last year. At the time they did so the price of the 6½% paper was R 114/-, and the Comptroller had been several times previously urged to realise at that rate. He always thought thought it was going higher and did not sell. In the end the Government agreed to take the paper over at R 111/- and sell on our behalf and to credit us with the difference. Unfortunately, since the issue of the new loan, the price has been steadily going down and there seems to be little hope of our getting any but a very small addition to the R 111 - received.

I think you know that we have opened a new Centre since you left the Palace, and have brought the number of babies dealt with up to 100, but this, according to the Municipal reckoning, is only one in 40 of the

babies that ought to be looked after. We have been trying for a time past to make provision for opening another centre with the Dharmaprakasa D. Ranumiah, but the amount promised by him s.hot la and we have never been able to succeed in working out a scheme which would be within our present means.

Meanwhile the Red Cross and the Director of Health have been busy with the question and there seems to be every hope that they will sooner or later organise a maternity and Child Welfare Bureau for the whole Sta with a trained lady in charge. They will, however, still leave the act working of the centres to local effort, and in Mysore City, there is little chance of local effort unless it could be done through the Trust.

I am sure no argument is needed to secure your sympathy with the movement and that you will be ready to do all that is possible and fair to other interests towards helping the Trust out of the Annachattram Fu

Dear Mr. Srinivasa Iyengar,

You very kindly suggested to me some little time back that, if we wished to get some money from the Annachattram Funds for the Gunamba Maternity and Child Welfare Trust, I should apply to Mr. Rajagopalachari. I have just heard from him that he has put up a recommendation for Rs1,000 a year. I do hope that you will be able to sanction this, in spite of the financial stringency, as the need for doing something more for the babies in the City is desperate. I am not troubling you or Mr. Krishna Rao with a personal call in the matter as I am sure you will do all you can to help us without my wasting your time in that way.
